

CGC-PBLCOE INITIATIVE

UG FELLOWSHIP

2023

Engineering/Design/Architecture/Management

What exactly is the program?

The 'Vishwaniketan-CGC network' has created opportunities for summer Internships, Master and Ph.D. programs for Indian students and teachers, in Universities abroad. In the last seven years, the network created 25+ tie-ups with universities abroad, more than 900+ students have successfully completed PBL-summer-internships (UG Fellowship), and more than 70 teachers completed Ph.D. These students have been transformed with the exposure and training in the host university and have developed focus, technical & life skills, innovation-creativity, and capacity to solve problems.

Wait a minute, I've more doubtslike....

- Would it be safe to travel after pandemic?
- What's the fee structure?
- What exactly is the eligibility criteria?
- Is it for me?
- What about fees?
- How would it help me?

Don't worry. We know that there might be many more doubts which might have popped in your head. Keep all of them ready as you get to ask these questions directly to Dr. Inamdar in the counseling session.
